MISCELLANEOUS INFORMATION

Ham Hall can only provide for ten (10) handicap accessible seats. Odyssey has no control over the number of accessible seats allowed, so please reserve this seating early, through the High School office. Once those ten seats are taken, there will be no other way to accommodate these seats inside the hall.

Parents, please no photos once students check in and the graduation rehearsal begins. We will need graduates full attention at this point until the ceremony concludes.

Cameras and videos are allowed inside the concert hall, but NO TRIPODS!
