

MAKING CONNECTIONS

This class gives the students and parents the opportunity to interact with each other in a social setting. Students, come and spend time with your peers doing fun activities. Parents, come and connect with other Odyssey parents. As they say, "Birds of a feather flock together!" (There is so much to share!)

***This workshop will be conducted by BOTH Diane Kelly (P.A.T. Facilitator) and Deneen Walters (K-8 counselor). Keep your eyes open for the last "Making Connections" workshop in May!!**
